Reawakening the Kahuna Order of Hina III (the Hawaiian Moon Goddess)

Wailuku, HI
October 31 - Nov. 2
Fri 7-9PM, Sat-Sun 10-5

In ancient times, the predominant Kahuna Order in Maui and Molokai was the Ku - Hina Order. At that time, there was a balance of the masculine Ku, and the Feminine Hina, the Moon Goddess.

Spiritual Leader Kahuna Ho'okahi, Laurie Grant is the current head of an Order of Ku - Hina and knows it is time to strengthen and energize the Hina aspect so we may return to balance.

In 2003, Laurie was initiated as a Kahuna and the Head of her Order by her hanai Papa, native Hawaiian, Ku Kahuna Lokahi. As part of the ceremony, Ku said, that the order had to go back to peace and love and the only way that that was going to happen is if a woman was in charge.

Astrologer Rollin Frost, from Kona, HI, says that in August, September, and October, we have more access to the Moon Mother energy than we have had for quite some time, consequently, Now is the time to reawaken the Kahuna Order of Hina!

Men are also welcome. This will help them balance out their male/female aspects.
